## KANSAS LAW DEFEATED.

Newspaper Libel Act Declared Unconstitutional by Supreme Court.  
Topeka, Kan., March 12.—The newspaper libel law enacted by the legislature in 1901, was today declared unconstitutional by the supreme court. The court says that the law is in conflict with section 18 of the bill of rights, in that it denies the right in certain cases to one injured in his reputation to have remedy therefor in due course of law.  
The decision is made in a case brought by J. F. Hanson, A. Lindsborg, attorney, against W. J. Krebell, attorney of the McPherson Republican.

## GOING! GOING!! GONE!!!

## Newbro's Herpicide

An Exquisite Hair Dressing.

## THE ORIGINAL REMEDY THAT "KILLS THE DANDRUFF GERM."

SOME MEN DON'T CARE. Some men are so in-  
different to hair loss that they pay no attention what-  
ever to dandruff and itching scalp. But, later, when  
incurable baldness comes they will waste time and  
money in a vain endeavor to overcome the result of  
their own neglect.

THERE WAS A TIME. There was a time when  
it was considered quite proper to ridicule and make  
light of the germ theory, but it isn't good taste to do  
it now, when municipal governments are sending for  
scientific men to suppress germ contagion. Prof.  
Unna (ask your doctor about him) was the first to  
discover the dandruff microbe, and now dermatolo-  
gists the world over know that true dandruff is a  
contagious disease caused by a germ.

THE GUINEA PIG PROVED IT. Drs. Lassar and  
Bishop, both noted scientists, took dandruff scales  
from the head of a student who was losing his hair,  
and having made a pomade of them with vaseline,  
rubbed the same upon a guinea-pig and the pig be-  
came bald. (See George Thomas Jackson, M. D., on  
Diseases of Skin, 4th Edition.) Newbro's Herpicide  
should be used at the first suggestion of dandruff  
or itching scalp. It prevents scalp infection, robs  
the public hair brush of its power to do harm, and  
never fails to cure dandruff and stop falling hair.

THE LADIES KNOW. The ladies are quick to  
discover any diseased condition of the hair, for with  
them, the natural impulse of preservation applies  
particularly to Nature's Charming Adornment. When  
the hair becomes dull, brittle or lusterless it shows  
that the dandruff microbe has planted itself in the  
scalp and is sapping the hair's vitality. In time it  
will cause dandruff, itching scalp  
and falling hair. This condition  
calls for the immediate use of New-  
bro's Herpicide. The wonderful  
effect of the very first application  
shows that it will "destroy the  
cause" after which the hair will  
grow as nature intended.

A Healthy Hair.

An Unhealthy Hair.
